Robert Edrich Lewis @ 3.ED. P.I.S.S. Ed. (TO THE TUNE OF
BIG BAD JOHN)

This stories about a little FAT MAN,
who gets pissed up - every time he can,
It all began in Weymouth Coll bar,
where Bob drank too much, and went a little too far.
Chorus. Big Bob, Big Bob, Big FAT Bob, mmm.

His own cousin Stevie tried to get him on home,
when they arrived in the flat, he left Bob all alone,
He undressed and tumbled into bed, without a kiss,
but after 3 minutes, he knew he'd have to take a piss.
Chorus. Big Bob, Big Bob, Big FAT Bob, mmm.

He took 6 unsteady steps across the creaky floor
reached out his hand and flung open the WARDROBE door,
There he espied a little HAT, so he took a piss on that,
And that's what got Stevie chucked out of his flat.

Chorus Big Bob, Big Bob, Big FAT Bob mmm.
