

Killerton - January 2024

A belated Happy New Year.

The Hatton household has had very busy time hence the tardiness in sending updates. Mostly holidays and travel interspersed with football matches and family events, but I won't bore you with those.

There are just a few items of news from the Killerton arena.

Rob Meakins managed to find the signs we had produced to accompany the trees we planted in 2010 in memory of Killertonians and St. Luke's students no longer with us, and Sir Richard and Lady Anne and Jack and Pat Goodall.

Rob is hoping to have them placed by the trees.

Taff is to be congratulated for having unerringly badgered initially Denise and then Rob to find them.

I thought that all the photos of our years at Killerton had been discovered but I heard from Michael Shaw recently that he had been sorting through dusty boxes in his attic and had discovered some slides from that era.

I have updated his ["personal gallery"](#) page so well worth a viewing, especially for our senior colleagues.

I will be happy to add any names or comments to the page, and indeed to any other pages in the galleries.

I have to confess, with all the travels and other commitments, I have not updated the website for a while - apart from Michael's page - however, for those who haven't checked in recently, there are some links on the front page to articles about Sir Richard that are worth reading.

Whilst on the topic of links, for those with a Facebook account, there is a page dedicated to ["Saint Luke's College Old Boys and Girls"](#)

Several Lukies, lead by Simon Whitehead, are arranging a 50th anniversary reunion in Exeter in 2025 primarily but not exclusively for those people who were at Luke's in 1975.

Let me know if you would like his email address.

I've created a [page on the website](#) with the full current proposals,

An Eventbrite link will be available in April to enable one to sign up for The Reunion Dinner at Reed Hall.

... and finally ...

A reminder of our own get together .
The annual cricket match with
Broadclyst cricket Club
Killerton Cricket ground
2:00pm Sunday 30th June
